CENTER CITY MIDDLE COLLEGE

About Parkway Center City Middle College

Parkway Center City Middle College is an innovative, contemporary high school program that takes place at the high school and on the college campus. The program provides an opportunity for students to earn a high school diploma and a Liberal Arts Associate's Degree at no charge to the family. From the moment students begin at PCCMC they are not only students at the high school but college students at CCP.

Open House

Prospective 9th-grade students and families, join us to learn more about the only Middle College in the city of Philadelphia
