

THE SCHOOL DISTRICT OF PHILADELPHIA

Parkway Center City Middle College

School-Parent Compact

School Year 2023-2024

Revision Date:

04/12/2023

Dear Parent/Guardian,

JOINTLY DEVELOPED

The parents, students, and staff of Parkway Center City Middle College partnered together to develop this school-parent compact for achievement. Parents are encouraged to attend annual revision meetings held during the Spring Title I meeting in order to review the compact and make suggestions based on student needs and school goals. This year, that meeting was held on 4/12/23. Parents are also encouraged to participate in the School Family Engagement survey that is also used as a tool to collect parent feedback regarding the current Title I programs, policies and family engagement.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.

The Board of Education's updated Goals and Guardrails are available on the School District Website at www.philasd.org.

Parkway Center City Middle College GOALS

At least 60% of students will attend school 95% of days or more.

At least 90% of students will have zero out-of-school suspensions.

At least 75% of 9th grade students will earn a minimum of 5 credits (four core plus one more) with As or Bs.

At least 95% of 12th grade students will be on track for graduation.

At least 50% of students will score at Proficient or Advanced on the Biology Keystone exam.

To help your child meet the district and school goals, the school, you, and your child will work together:
